

we are

a company with a heart
able to laugh at ourselves
attentive to what people think & say
available to assist our partners day and night
believers in positive thinking
committed to charitable giving & support
concerned about our environment
convinced that we can learn from our actions
dedicated to ensure the best value
fascinated by people
focused on providing growth opportunities
fun
happy
interested & willing to change
involved in our communities
not afraid to be different & stand out
not working just for the almighty dollar
not stalkers but mystery shoppers
obsessed with being creative
offended by companies that don't care
passionate about learning
supportive of fairness & equality
training machines
wanting to evolve
working to help others put passion in their day
